### Description

The well-known ChokeFree Brand of pet restraints is now proud to offer Vel\*Pro, a new mesh one-piece non-choking pet shoulder collar that utilizes a Vel-Lock Closure. Pet Retailers can now order Vel\*Pro Mesh in Red, Black, Blue and Pink in five sizes that fit pets who measure from 11" to 20" around the chest just behind the front legs as listed below. Size is determined by measuring the pet's chest just behind the front legs and going up an inch to allow for comfort. If the pet can tuck its head and back out, the Vel\*Pro is too large and a smaller size should be selected.
