LOT 1318B - Thule Sweden 993005 Outway Platform Trunk Bike Rack with Raised Platform

Condition New

Lot Size 1

Retail Value 500

Returnable Green - 30 Days

Description

Premium trunk mount bike carrier with raised platform designed to keep the rear lights and license plate visible, and fits wide range of vehicles including those with a spoiler... Maximum fastening security to your vehicle with steel cables. Quick and easy mounting to car thanks to simple user interface and intuitive torque limiting tightening system. Firm carrier hold and vehicle protection with twin hook attachment and rubber protection pads. Improved visibility of rear lights and license plate with raised platform design. Easy mounting of bikes with adjustable/removable bike arms and Thule Acu Tight torque limiter knobs that click when optimal torque is reached.

Accommodates up to 127cm/50" wheelbase bikes. Simple to fasten wheels, thanks to long wheel straps with pump buckles. Locks the bikes to the bike rack and the bike rack to the car (locks included). Folds flat for easy transport and convenient storage. No assembly required. Possible to open vehicle trunk without any mounted bikes. This product does not have a universal fit. Please use the Thule Buyer's Guide for information related to specific car models. Carbon frame compatible. Rear lights and number plate visible with bikes mounted. One Key System compatible. Lockable bike-to-rack. Lockable rack-to-vehicle. Max number of bikes: 2. Load capacity: 66 lb. Max bike weight: 33 lb. Dimensions: 23 x 50 x 47 in. Folded dimensions: 9.4 x 30.7 x 21.3 in. Weight: 27.6 lb. Max tire width: 3 in. Max wheelbase: 1270 mm. Imported. Thule Outway Platform 2 Bike Rack.
